

#PSAFORPARITY
Committee on the
Rights of Persons with
Disabilities (CRPD)

Since the beginning of 2017, only
one woman has served among the
CRPD's 18 members

This woman will conclude her mandate in
2018, and not be eligible for re-election

In June 2018, there will be elections
for 9 out of 18 experts to the CRPD

States will have the opportunity and the
responsibility to #ChangethePicture and
ensure the Committee's composition complies
with an equitable gender balance to
strengthen its function, impact, and legitimacy
