

Joining the Disability Data Advocacy Working Group Listserv

Introduction

Welcome to the Disability Data Advocacy Working Group listserv. This is an open and moderated forum intended to serve as a platform of exchange for the Disability Data Advocacy Working Group under the umbrella of the Stakeholder Group of Persons with Disabilities. This forum aims to share information about disability data webinars and events, online learning opportunities, resources, and other relevant information. Members of this group are encouraged to raise any issues, make suggestions, and communicate with one another. The forum is open to anyone who is interested in engaging in the disability data dialogue
